Sir:

REQUEST FOR RECONSIDERATION

In response to the new office action dated December 21, 2006, (for which a one month extension of time is requested), Applicants request reconsideration.

Most of the claims stand rejected based on newly-cited Timonen for alleged anticipation under 35 U.S.C. §102. This rejection is respectfully traversed.

To establish that a claim is anticipated, the Examiner must point out where each and every limitation in the claim is found in a single prior art reference. *Scripps Clinic & Research Found. v. Genentec, Inc.*, 927 F.2d 1565 (Fed. Cir. 1991). Every limitation contained in the claims must be present in the reference, and if even one limitation is missing from the reference, then it does not anticipate the claim. *Kloster Speedsteel AB v. Crucible, Inc.*, 793 F.2d 1565 (Fed. Cir. 1986). Timonen fails to satisfy this rigorous standard.
